

The Amazing RACE For Zero Waste

Goal

Create a public service announcement that raises awareness of and encourages recycling in Oklahoma schools and communities, with an emphasis on innovative methods and new ideas on the reuse of recyclable materials.

Deadline

Entries must be postmarked by Saturday, November 1, 2014.

Awards

Huge cash prizes for the winner and their school's environmental science club, PLUS the winning PSA may air on TV stations throughout Oklahoma.

Details

Visit recycleok.org for more details and a full list of specifications and contest rules.
Open to students grades 9-12.
